

Conference 5-8 March 2013 Heidelberg, Germany
"Recovery of maintenance in the EU and worldwide"

funded by

Conclusions & Recommendations online!

After the Heidelberg Conference 2013 the networking has continued. Presenters and participants entered into a lively discussion to draw conclusions from the Conference and to make on recommendations for further steps towards a worldwide community of international recovery of child support and other forms of family maintenance.

The Conclusions & Recommendations are now [online](#) for you.

We, the DIJuF and all project partners send our warm thanks to you for your determined and continuous commitment!

Furthermore, we can now announce the next newsletter that will be sent out shortly. The **Annual NCSEA Conference** took place in **Baltimore from 4 to 7 August 2013** and brought together many representatives of the international child support community, who took the chance to exchange ideas on further networking.
